Re: Amended Year End Report (7/1/99-12/31/99), dated 1/31/00
FEC ID# C00145862

Dear Mr. Horton:

This letter is in response to your correspondence dated May 2, 2000 regarding the above referenced report. In each of the disbursements highlighted, it was the intention of this committee, and it was understood by the recipients, that \$1000 was to be designated to the primary, and \$1000 was to be designated to the general election cycles. Additionally, I have provided a copy of the amendment which clarifies the office sought, and the district in which they ran for election.

In response to your request to include the full and/or recognizable names of contributions from political committees, I have updated our records to show the full, unabbreviated FEC-registered committee names. I have provided a copy of the updated portion of schedule A.

If you require additional information, or if you have any questions, please do not hesitate to contact me.

Sincerely,

Curtis L. Coonrod
Treasurer
